The boundaries of the HPCC as an organization are the same as the neighborhood boundaries defined by the City of Pittsburgh Planning Office as of March 1, 2020, and described as follows:

- Heth’s Run beginning at the intersection of Heth’s Avenue and Hampton Street, north and northeast along the western edge of the Pittsburgh Zoo and PPG Aquarium property to Butler Street;
- Butler Street east to where Butler Street becomes Washington Boulevard;
- Continuing east along Washington Boulevard to the Highland Park Bridge;
- At the Highland Park Bridge, the boundary moves to the river’s edge and continues east to the Allegheny Valley Railroad Bridge;
- The boundary runs concurrent with the railroad tracks south to Allegheny River Boulevard;
- Allegheny River Boulevard west to Washington Boulevard;
- Washington Boulevard south to Negley Run Boulevard;
- Negley Run Boulevard south and east to Meadow Street;
- Meadow Street northwest to Stanton Avenue;
- Stanton Avenue west to Heth’s Avenue;
- Heth’s Avenue north to where it ends at its intersection with Hampton Street.

Draft of the HPCC’s proposed response to Mayor Peduto’s request for comment on proposed changes to the Community Reinvestment Act by the Trump Administration.

For discussion/approval at the HPCC’s Board Meeting on 03.06.2020.

The Highland Park Community Council, established in Pittsburgh in 1947, supports Mayor Peduto’s efforts in not undermining the original intention of the Community Reinvestment Act. We agree the proposed changes by the Trump Administration will reduce the evaluation of banks in responding to local community needs for lending and community development. The proposed changes would threaten the CRA’s original “spirit” of promoting the financial health of our local communities and neighbors.
