The Board was joined by three members of the Highland Park Garden Club: Susan Ryan, President, Jamie Contis, Vice President, and Nancy Schultz. The Garden Club has agreed to doing a Highland Park Garden Tour on July 12, 2020. The Garden Club will organize, staff and coordinate the event. They are asking the HPCC for financial and technical assistance with marketing the event. They would also need equipment (such as tables, chairs), assistance with marketing, etc.

The Garden Club also reported out on the Bryant Street “vacant plots” progress. They have done investigation and research. The soil itself is unviable and would need to be replaced or covered over. This would all involve a financial investment and labor. There is a further question regarding ongoing maintenance.

Several suggestions were offered. The Garden Club has agreed to be a consulting partner in the Bryant Street plot plan going forward.

**Meeting Adjournment:**

- Motion to adjourn made by Stephanie Walsh and seconded by Judy Beck. Motion passed unanimously.

- Meeting ended at 9:05 P.M.
